Scoring

A performance-based assessment rubric is used for all categories.

- The ratings are (4) Superior, (3) Excellent, (2) Good, and (1) Fair.
- The ratings tabulate to a numeric total ranging from 4 to 24, depending on the number of criteria included in the individual rubric. Please familiarize yourself with the [rubrics](#), scoring, and critique sheets.
- To determine an entrant's rating:
 - Add up the scores in the far-right column and enter the totaled score at the bottom.
 - Based on the total, circle the indicator of achievement to the left of the column.
- For an entrant's overall rating, average the total numeric scores of the three adjudicators. Average scores will be rounded up to the nearest whole number; for example, an average of the three judges' scores of 17.5 rounds to 18. A 17.4 will not round up to 18 but down to 17.
- Student guidelines for each area are included in this document to help entrants understand adjudication.
- The Educational Theatre Association recommends using three adjudicators, but you must use at least two.

Questions/Issue Resolution

Consult the [FAQ's page on the Thespys website](#). Direct all appeals, questions, or clarifications to thespys@schooltheatre.org.

Qualifying for the International Thespian Excellence Awards

To qualify for the Thespys program at the International Thespian Festival and be eligible for a Thespy Award, entrants must:

1. Receive an overall assessment rating of **Superior** at their chapter conference/festival or at a similar qualifying event.
2. Be an inducted Thespian at the time of ITF registration.

Students may qualify in more than one category. For the 2020-21 school year, qualifying students may enter in more than one category.

Exceptions

EdTA will hold an alternate qualifying round for students who meet these criteria:

- The student's home chapter does not have a festival.
- The student's home festival is canceled.
- The student does not belong to a chapter.
- Inclement weather prevents the student's troupe from traveling to the chapter's qualifying event (must provide documentation of the school's decision from a school administrator).

The entry deadline for the alternate qualifying round will be April 1, 2020.

After their chapter conference/festival, chapter directors are required to send EdTA the names of all Thespy qualifiers. Students' eligibility for the alternate qualifying round and for the ITF Thespys round will be validated by EdTA.

Multi-Troupe Presentations

On rare occasions, schools working together want to present a category together. Students from two or more troupes can collaborate under the following condition:

- The troupe directors must apply using the ["Multi-Troupe Application Form" in Appendix A](#).
- Troupe directors must validate with the other director(s) to make sure they have no concerns with the piece, or the students being used.
- If any of the troupe directors want administrative approval, all troupe directors must agree to have their administrator sign. The "Multi-Troupe Application Form" has an optional space for administrative approval.
- The completed form is to be forwarded to the "lead" troupe director who will be responsible for registration.
- This form must be received by EdTA by May 15 for ITF. The due date for the chapters will vary.

Registering for the International Thespian Excellence Awards

Qualifying students must register for the International Thespian Festival to participate in the Thespys program. All complete Thespy registrations will be accepted until **May 15, 2021**. If the entrant does not complete registration by May 15, 2021, he or she will not be permitted to participate in the program and no refund will be provided.

All Thespy entrants must:

1. Be affiliated with an active Thespian troupe.
2. Be an inducted Thespian by the time of ITF registration.
3. Sign up for a full ITF registration.
4. Register their qualifying Thespy entries.
5. Complete their entries, including required materials and performance rights, by the entry deadline.

EdTA will validate eligibility and disqualify incomplete entries. *No Thespy registrations will be accepted after May 15, 2021.*

Digital Adjudication

In 2020-21, all adjudications at the international level will happen virtually using an online competition platform. Most adjudications at the chapter level will be virtual as well. While the rules and guidelines for each category are largely the same as in person, students are encouraged to recognize and prepare for the inherent differences in presenting their categories digitally. Students should optimize their submissions for the online format to receive the best feedback and the best scores.

Social Distancing/Masking Policy for Thespy entries requiring collaboration:

Participants submitting a collaborative entry (group/duet entries) are expected to follow masking and social distancing rules and recommendations while rehearsing and producing their final submission video. If participants are unable to perform safely together, they should consider submitting individual category entries instead.

- For example, if a mask mandate is in effect, participants should wear masks in their video submission. If requirements state that individuals not housed together are required to maintain a distance of six feet, participants should record their video at the recommended distance. It is important to note that certain masks and distanced performances may impact sound/speech and hide facial expressions, so discovering techniques to emphasize enunciation and characterization will be especially important. Duet and Group performers may choose to record their pieces separately and edit them together into a single video. Participants may consider using clear face masks to allow facial expressions to be seen by adjudicators.

Tips for digital video submissions:

- Find an effective filming location:
 - Area should be quiet so we can hear both you and your track (if applicable).
 - Film in front of a non-distracting background. If possible, choose a solid-color wall or consider hanging a sheet behind you. The color should contrast with your clothing.
 - Dress neatly, in all black clothing as written in the guidelines. No costumes.
 - Make sure you are lit enough to be clearly visible.
- Reminders:
 - Before filming, conduct a full-volume test to make sure you can be heard (and that your track can be heard).
 - Ensure your blocking is effective and visible when filmed. Consider whether to decrease your movement or to adjust your camera angle.
 - Shoot your video horizontally, not vertically.
 - Try multiple takes and submit your strongest.

Tips for digital portfolio submissions:

- You will be asked to share your portfolio as you would for an in-person presentation. Please upload the material asked for in the submission form in accordance with the program guidelines.
- Each of your samples should be clear and quality – good production or process photos, or easily readable documents.
- Uploads should be well-photographed or clearly readable. Though you will be able to expand in your video presentation, the sample should be able to speak for itself to a certain extent.

International Thespian Excellence Awards Winners

The students or groups achieving the highest scores in each category will be honored as Thespy Award Winners for that school year. Students must achieve a Superior score to become a Thespy Award Winner. If no qualifiers earn a Superior score in a given category, there will be no Thespy Award Winner in that category. There is no cap on the number of winners. Winners may be featured in the showcase (see below) and on the [Thespys website](#), as well as in other EdTA programs as opportunities arise.

International Thespian Excellence Awards Showcase

The Thespy Showcase serves as the closing ceremony to ITF, featuring performances by Thespy winners (runners up may also be chosen to perform, time permitting). Inclusion in the Thespys Showcase is at the discretion of the showcase producers; not all categories may be represented.

Volunteering

Troupe directors and chaperones are required to volunteer as adjudicators at the international level if more than four students are participating in the program. *All adjudicators must complete online training prior to adjudicating for ITF.* When assigning responsibilities, the volunteer coordinator will attempt to accommodate but cannot guarantee category preferences.

 7. Disqualification. The International Thespian Excellence Awards program is meant to challenge, inspire, and educate students. As you'll note throughout this document, there are very clear rules to ensure equity among all participants. Violations of these rules can lead to disqualification.

Securing Performance Rights

It is the entrant's responsibility to obtain permission for the use of copyrighted material. In certain cases, permission is not required.

- The performance of a monologue or scene from a non-musical play at chapter conference/festival or in an adjudicated category may be subject to an agreement previously negotiated between EdTA and several major publishers. Determine the identity of the publisher (check the title page of the script or consult an internet database like findaplay.com or doollee.com), then check the following listing for the publisher's most recent policy. If the work is published by a house not included below, an entrant must apply for a [Special Rights Form \(Appendix B\)](#).
- If there is an exception as noted above (e.g., Neil Simon plays), complete the appropriate sections of the [Rights Application and Permission Form \(Appendix C\)](#) and mail it to the publisher or leasing agent. The name and address of the publisher or agent should be in a notice of copyright published with the script.
